

AMENDED IN ASSEMBLY APRIL 9, 2008

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

**ASSEMBLY BILL**

**No. 2589**

---

**Introduced by Assembly Member Solorio**

February 22, 2008

---

An act to add Section 1367.08 to the Health and Safety Code, and to add Section 10604.5 to the Insurance Code, relating to health care.

LEGISLATIVE COUNSEL'S DIGEST

AB 2589, as amended, Solorio. Health care coverage: public agencies.

The Knox-Keene Health Care Service Plan Act of 1974, the willful violation of which is a crime, provides for the licensing and regulation of health care service plans by the Department of Managed Health Care. Existing law provides for the regulation of health insurers by the Department of Insurance. Under existing law, health care service plans and health insurers are required to make certain disclosures to enrollees and insureds. Existing law also provides for the licensing and regulation of insurance agents and brokers.

This bill would require a health care service plan or a health insurer to annually disclose to the governing board of a public agency that is the subscriber of a group contract or the policyholder of a group health insurance policy specified information, including any fees or commissions paid to any agent, broker, or other individual. Because ~~this~~ *the* bill would create a new requirement under the Knox-Keene Health Care Service Plan Act of 1974, the willful violation of which would be a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: yes.

*The people of the State of California do enact as follows:*
